Juan Jose Boretti

Date: 14 January 2019

Dear Juan and Jose,

On behalf of the Board and Management of Hockey Australia, we really appreciate your very kind thoughts and wishes from Argentina.

These fires are unprecedented in our history and have impacted so many areas of our country and touched the lives of many people. However, we are confident that those areas that have been most effected will recover in time.

Your thoughts and kind words have been well received by our Board and staff at Hockey Australia. Your letter reinforces the strength of relationship between Australia and Argentina including our shared love for the sport of hockey.

Thank you once again for reaching out to Hockey Australia and we wish you all the very best for 2020.

Kind regards,

Melanie Woosnam
President
Hockey Australia

Matt Favier
Chief Executive
Hockey Australia
